High School Business Challenge (HSBC)

is more than just a competition. It is an international business challenge for high school students, with a prize pool of **€6,000** at stake. It's a unique opportunity to test your abilities, develop entrepreneurial spirit, and gain practical skills - from **teamwork and creative thinking** to **solving real business problems**.

Each stage brings a new dose of emotions, competition, satisfaction, and overcoming personal barriers. HSBC complements the theoretical study of entrepreneurship with **hands-on experience** and, regardless of the career path participants choose, prepares them for the **challenges of the future**.
